Prayers & Praises

Earl & Donna Myers placed membership in the church in April of 2009. Earl and Donna were baptized by Donna's cousin Forrest,

in May of 2009. Donna who had previously been baptized decided to join her husband Earl once again in coming to our Lord and Savior through baptism. Our sister Donna had been in hospice suffering from cancer for about two weeks when she went to meet our Lord. We were very grateful as a prayer group to be able to share in these last days with Donna. She was a "Special lady" and will be missed greatly by family and friends. Hold this family in prayer for God's grace as he brings peace and strength to a family mourning the loss of a mother, grandmother, and wife.

John and Karina Robinson need our prayers of concern. Karina will be undergoing another knee replacement surgery soon. Karina has been in quite a bit of pain and John has needed to care for her. Please lift these two up for better days ahead and for a successful surgery.

Ken Lydiksen's latest report on **Polly** and **Nick Nicholson** is that Polly is still in PV Hospital undergoing tests on her heart. The test results have all

been good so she likely went back to the residential care facility. Nick is still in the Camarillo Health care Center. He is doing some better. They are exercising him at least twice a day trying to help him regain some strength in his legs so he can walk again.

Linda Williamson would like prayers for her father **Coach Rosy Nolan**. On Tues. Oct. 11, 2011 he was taken to Memorial ER having difficulty breathing. He had not been taking his lasix regularly and he was filled with fluid-including his lungs. The doctor removed 3 liters of fluid and his right lung was still slightly rattling. Coach is now home taking his lasix and resting. He will see the doctor again in about a week to check his progress. You can't keep a tough Okie down long, but please keep our brother Rosy in your prayers for healing and rest.

"Let your mercy be upon all who suffer. Grant to those who lead us wisdom beyond their years and experience. Have mercy upon the souls who have departed and the wounded who remain. Give us grace that we might forgive and faith that we might believe. And look kindly upon your church. For two thousand years you've used her to heal a hurting world. Do it again, Lord. Do it again. Through Christ, amen." By Max Lucado
